17 juillet 2016 - 16^e DIMANCHE DU TEMPS ORDINAIRE C

Un seul plat suffit! - Le Seigneur nous rend visite de bien des manières. Il vient sous les traits de l'étranger qui espère notre accueil. À d'autres moments, il fait une halte chez nous, un peu comme l'ami à l'aise qui ne tient pas d'abord à un repas abondant et recherché, mais plutôt à une qualité de présence et d'écoute.

«Alors, la paix viendra», par Pierre Guilbert

Si tu crois qu'un sourire est plus fort qu'une arme,
Si tu crois à la puissance d'une main offerte,
Si tu crois que ce qui rassemble les hommes est plus important que ce qui les divise,
Si tu crois qu'être différent est une richesse et non pas un danger,
Si tu sais regarder l'autre avec un brin d'amour.
Si tu sais préférer l'espérance au soupçon.... **Alors, la paix viendra**

Si tu estimes que c'est à toi de faire le premier pas plutôt qu'à l'autre,
Si le regard d'un enfant parvient encore à désarmer ton cœur,
Si tu peux te réjouir de la joie de ton voisin.
Si l'injustice qui frappe les autres te révolte autant que celle que tu subis,
Si pour toi l'étranger est un frère qui t'es proposé,
Si tu sais donner gratuitement un peu de ton temps par amour.
Si tu sais accepter qu'un autre te rende service,
Si tu partages ton pain et que tu saches y joindre un morceau de ton cœur
Si tu crois qu'un pardon va plus loin qu'une vengeance... **Alors, la paix viendra**

Si tu sais chanter le bonheur des autres et danser leur allégresse,
Si tu peux écouter le malheureux que te fait perdre ton temps et lui garder ton sourire,
Si tu sais accepter la critique et en faire ton profit sans la renvoyer et te défendre.
Si tu sais accueillir et adopter un avis différent du tien... **Alors, la paix viendra**

Si tu refuses de battre ta coulpe sur la poitrine des autres,
Si pour toi l'autre est d'abord un frère,
Si la colère est pour toi une faiblesse, non une preuve de force,
Si tu préfères être lésé plutôt que de faire tort à quelqu'un,
Si tu refuses qu'après toi ce soit le déluge,
Si tu te ranges du côté du pauvre et de l'opprimé sans te prendre pour un héros,
Si tu crois que l'amour est la seule force de persuasion,
Si tu crois que la paix est possible... **ALORS LA PAIX VIENDRA**

PETITE ANNONCE URGENTE

Cherche un électricien pour rétablir le courant entre les gens, un opticien pour changer leur regard, un artiste pour dessiner un sourire sur tous les visages, un maçon pour bâtir la paix, un jardinier pour cultiver la pensée et surtout un prof de math pour nous apprendre à compter les uns sur les autres !!!
